- Students should regularly check their campus email addresses to maximize their time to prepare their dismissal appeal or make alternate plans for the following semester.

Registration for the Following Semester

Dismissed students are NOT permitted to be enrolled in J-Term or Summer courses at Buffalo State. The university will cancel all registrations, housing contracts, and meal plans unless students successfully appeal their dismissal decision. Therefore, in this case, Spring/Fall registrations, housing contracts, and meal plans will be retained until a decision has been made.
